Data collection worksheet

What **story** do you want to tell?
Is it in the past or the future?
What timeframe will you be covering?

The story of the books I read in 2023 ,
from Jan 1, 2023 to Dec 31, 2023 .

What is your **data subject**
(the main thing you are collecting data on)?

For every book I read in the year :

month, hour, book, restaurant, friend, marathon, etc...

What **main questions and supporting questions**
can you ask about your subject to best tell your story?
